

# LETTER OF RECOMMENDATION

20/11/2020

To whomsoever it may concern,

It is hereby certified that Mr. Suyash Pratap Singh has successfully completed betaMG's challenge program held in the month of November 2020. During this course, Mr. Suyash has worked alongside the company's Data Science department for the initial development of the company's various R&D products.

Mr. Suyash displayed professional traits during his internship period and was able to complete assigned tasks as requested. He was hardworking, dedicated, and committed during the entire course. It was a pleasure for us to work with him for this short period.

Sincerely,

Rajan Lakhtaria, Co-Founder
